**NOTE**: If the registrar discovers that you are enrolled in the course erroneously, and that you have not received permission, you will be dropped and will receive no credit for the course.

III. BILINGUAL SPEAKERS
Bilingual speakers are not eligible to take this course. There is a parallel track of courses designed specifically for the special needs of bilingual speakers. Bilingual speakers are those who have learned Spanish primarily through out-of-the-classroom experiences, such as interacting with family and/or friends, extended residence in a Spanish-speaking country, etc. If you or your instructor feel(s) that you might be considered a bilingual speaker and would be best served by enrolling in the bilingual sequence of courses, you will need special permission to stay in this class. Please speak to Professor Susana Braylan, Director of the Bilingual Program (147 Dauer Hall) and get her signature indicating you have been granted such permission.

I give this student permission to remain in SPN 2201. I have determined that s/he is not a bilingual speaker and that this course is the best suited for his/her needs.
