II. PREREQUISITES
Please check ☑ to indicate which of the following SPN2240 prerequisites you have met:

- _____ SPN 2201 at UF or the equivalent at another college or university
- _____ WebCAPE score over 428 [with a 428+ you can enroll in 2240 or 3300 - please see Prof. Gil]
- _____ AP Test score of 4 [with a 5 on the AP you can enroll in 2240 or 3300 - please see Prof. Gil]
- _____ SAT2 score of 700 or above [with a 700+ you can enroll in 2240 or 3300 - please see Prof. Gil]
You must have met one of the above requirements in order to remain in this class. If you do not meet these prerequisite requirements you need special permission to remain in this class. You must arrange to meet with Professor Antonio Gil, Administrative Coordinator of the Lower Division Spanish program (160 Dauer Hall) and get his signature indicating you have been granted such permission.

I give this student permission to remain in SPN 2240, regardless of having not met the necessary prerequisites.

**NOTE**: If the registrar discovers that you are enrolled in the course erroneously, and that you have not received permission, you will be dropped and will receive no credit for the course.

III. BILINGUAL SPEAKERS

Bilingual speakers are not eligible to take this course. There is a parallel track of courses designed specifically for the special needs of bilingual speakers. Bilingual speakers are those who have learned Spanish primarily through out-of-the-classroom experiences, such as interacting with family and/or friends, extended residence in a Spanish-speaking country, etc. If you or your instructor feel(s) that you might be considered a bilingual speaker and would be best served by enrolling in the bilingual sequence of courses, you will need special permission to stay in this class. Please speak to Professor Susana Braylan, Director of the Bilingual Program (147 Dauer Hall) and get her signature indicating you have been granted such permission.

I give this student permission to remain in SPN 2240. I have determined that s/he is not a bilingual speaker and that this course is the best suited for his/her needs.
