UF in Seville

Spanish Language and Culture
Summer A: May 7 - June 17, 2015

Improve your Advanced Spanish Language Skills through an Immersion Experience in a Spanish-speaking Environment.

Integrate into Spanish Life through Daily Interaction with Spanish Families and Spanish University Students.

About the Program
Study Spanish language, literature, and linguistics at the Universidad Internacional Menendez Pelayo (UIMP). UIMP is one of the oldest and most prestigious universities that offers extensive summer programs in Spain. This is the only way you can earn 6 advanced Spanish credits at UF during the summer. UF in Seville is organized in conjunction with International Studies Abroad (ISA).

About the Location
Seville was one of the jewels of the Islamic Califate of Al-Andalus, and later became the gateway to the New World. Barrio Santa Cruz, a few minutes away from the university, is characterized by narrow streets filled with quaint, lime-washed houses with flowering plants draping their balconies or patios. With a clear, deep blue sky, and a flat landscape, Seville offers the spectator a striking interplay of picturesque views, which explains why it is sometimes called “the city of reflections.”
