

# Spanish Placement Guide

- We have created an online survey to help advise you with your placement. The survey can be found at: <http://bit.ly/spn-placement>.
- If you are still unsure, even after taking the survey, we recommend that you take the WebCAPE online placement test, which is designed to help you determine the best course for you based on your background. Please see the information at <http://sites.clas.ufl.edu/spanishportuguese/?p=870> for more details and instructions.
- For those with incoming scores, these charts will help determine what credit you already have and what course is suitable for you.

\* = These scores successfully satisfy the CLAS, JM and BA in Fine Arts language proficiency requirements.

\*\* = Please consult with Prof. Antonio Gil ([agil@ufl.edu](mailto:agil@ufl.edu)) for assistance in these cases.
