

Spanish Placement Guide

- If you have incoming scores, the charts below will help determine what credit you already have and what course is suitable for you.
- If you have taken Spanish courses previously but do NOT have incoming scores, we recommend that you take the online WebCAPE Placement Test, which is designed to help you determine the best course for you based on your background. See the information at <https://spanishandportuguese.ufl.edu/undergraduate-programs/lower-division-spanish-program/webcape-spanish-placement-test/> for more details and instructions.
- We also offer a basic placement survey [here](#).

*** = These scores successfully satisfy the CLAS, JM and BA in Fine Arts language proficiency requirements.**
